Brief Description of the Project

TAVARES CASTILHO, RODRIGUES & ASSOCIADOS - SOCIEDADE DE ADVOGADOS, SP, RL, founded in 2006, is dedicated to providing services in the legal sector, namely credit recovery and credit management. Since its inception, the firm has always excelled in the specialization of its services, both in nature and in geography, creating various concepts that are part of its portfolio and that distinguish it from others, such as: "the emigrant's lawyer" "credit recovery and credit management", "Castilho International Law Firm & Latin Countries", and "Golden Visa".

The present investment project is mainly directed to the development of the international business of Credit Recovery and Credit Management. The aim is to consolidate the presence in the markets already covered and to enter new ones with this specialized service.

In order to achieve the aforementioned objectives, the company will proceed with the prospection and international investment in its business area, deepening its knowledge and specialization as well as international performance through technological development.
